Please note

1. All prices are inclusive of GST.
2. ¾ inch tap, overflow and leaf strainer are all included.
3. Capacities and dimensions are approximate only.
4. When ordering tanks please advise fittings position.
5. Clear and reasonable access must be provided for delivery.
6. All tank stands quoted are to be placed on a suitable support footing.

INSTALLATION

1. All tanks must be delivered onto an approved concrete slab or approved tank stand. Failure to comply may void any warranties.
2. All foundation surfaces must be flat and accurately level.
3. Customers choosing to pick up tanks from factory and self install tanks may not be covered under warranty.
